Pre-need casket agreement and Guarantee

In the funeral pre-need agreement a casket can be selected in advance of the funeral. Pre-need agreements can be made years before the casket will actually be needed. Casket Manufacturing companies inventory not only changes over time but they are in full right to stop production on any casket they choose.

Frantz Daniel Jean Funeral Services Inc. cannot make any guarantees on what caskets are manufactured, suspended or discontinued from production from any casket manufacturer for any funeral pre-need agreement.

What we can guarantee is that in the case that you select a casket that has either been suspended, discontinued or unavailable at the time of the funeral we will present to you the most similar casket in price and aesthetic to meet your needs.

Thank you for your understanding in this matter.
